RISK CONTROL

REDUCE RISK. PREVENT LOSS. SAVE LIVES.

ClickSafety® Training Solutions

HELPING YOU TO MANAGE SAFETY AND REDUCE RISK

Travelers has an agreement with **ClickSafety®** — a provider of online computer-based training programs — to offer you flexible and interactive training to help meet your safety needs. *This service allows us to offer a reduced rate of 20 percent off on all ClickSafety learning products.*

On-demand training solutions

With ClickSafety, you will find one of the most comprehensive online safety course libraries available – from general employee, safety awareness to advanced training for specialized workers. The safety courses are developed by certified safety professionals and industrial hygienists, registered environmental health specialists, OSHA-authorized construction trainers, associates in risk management and industry renowned professionals to ensure the courses meet the latest safety standards and regulations.

ClickSafety's course offerings include:

- OSHA-authorized
- Construction
- General industry
- Environmental
- Advanced safety and health
- Management
- Awareness
- Cal/OSHA
- Certificate

- DOT
- Employee orientation
- Human resources

Benefits

As a leader in online safety training solutions, ClickSafety offers a variety of courses and industry expertise by delivering nearly 300 easily accessible, 24/7 courses – including more than 70 titles in Spanish – to help you with your employee safety and regulatory compliance training needs.

Your company can benefit from these online safety training solutions, through:

- Ease of use and 24-hour access
- Concise, easy access reporting
- Consistent communication of safety expectations
- Tracking employees' progress and completion

Access the training

To access ClickSafety's resources, log in to the Risk Control Customer Portal at travelers.com/riskcontrol, click on the Education Center tab and then scroll to Additional Training Resources. To register, you can either click on Individual Training or Group Training.

Once you have logged in to the ClickSafety site, you can select the courses you are interested in purchasing.
